

# EPSON CoverPlus Service Option Packs

Recommended Retail Prices Effective from: December 2005

## UK & Republic of Ireland

Information correct at time of printing (errors and omissions excepted).

Decide on the service you need, Extended Warranty, Enhanced Warranty, Installation or Training. Purchase the appropriate Service Option Pack for your EPSON product and telephone EPSON to register.

- 3 year Extended Warranty Service Extends the standard warranty supplied with your EPSON product to 3 years from the date the product was purchased by its first user.
- 1, 2 or 3 year Enhanced Warranty Service Provides on-site Enhanced Warranty Service for a period of 1, 2 or 3 years after purchasing the pack. An engineer will visit on-site within 8 working hours after you contact EPSON to report a fault. The product will be repaired or replaced within 16 working hours of the call to EPSON. Includes the supply and installation of service kits on models that require them and annual service checks. Starts from the date the Services pack is registered with EPSON.
- Installation Service Includes unpacking, setup and configuration at your premises, supervision and assistance to install the software drivers supplied with the product on one computer and one server, connecting the product and testing to ensure correct setup and configuration. Packaging can be removed and disposed of if requested. Delivery of the product is not included.
- Training Service (for Administrators or Key Users) will vary depending on the model and customer applications but will generally include: use of control panel buttons and switches, changing default settings, when and how to replace consumables, loading paper, user maintenance items, assistance to install the software drivers supplied with the product on one computer and one server, using the driver software and advice on how the product can be used for the purpose for which you purchased it.

**The product must be within mainland UK or the Republic of Ireland, islands having a direct road connection to them or the Isle of Wight.**

NOTES: (1) EPSON Service Option Packs to provide both Installation & Training Services are available for some models. (2) Some services are only available for specific models. (3) Terms and conditions are available at [www.epson.co.uk/services](http://www.epson.co.uk/services).

Discontinued models are shown in grey text.
